## 2013 Akro-Mils Industrial Catalog Showcases New Design, Features and Products

**December 2012, Akron, Ohio** — Akro-Mils, a North American leader in storage, organization and transport products, introduces its new material handling catalog featuring many new products including Lean Panel™, 18" Deep Pick Racks, Slope-It™ Bin Inserts, TiltView™, Ready-To-Assemble Bin Cabinets, and the largest selection of Clear Storage Containers in the industry.

This new catalog has been redesigned with customers' needs in mind:

- A new, more visual Table of Contents page will help locate products faster.
- Features and benefits of Akro-Mils products are more vibrantly displayed on product pages.
- QR Codes on products pages will take customers to videos and other materials.
- A guide to Akro-Mils' wide variety of Caster and Wheel Options.
- A new section outlining Custom and OEM capabilities.
- New logos (shown below) better highlight the product details that matter most.

Download or request a print copy of the 76-page catalog at [www.akro-mils.com](http://www.akro-mils.com), where visitors can search through the company's hundreds of material handling and storage products by model number, keyword, category or subcategory. The site also features a Product Finder Tool to help visitors find the right products for creating a storage system, as well as a Distributor Locator to quickly find where Akro-Mils products can be purchased. A searchable "flip" version of the catalog also is available online, and it is compatible with mobile devices such as smartphones and tablets.

Akro-Mils, a Myers Industries, Inc. company (NYSE: MYE), is a leading manufacturer of plastic and metal storage, organization, transport and material handling products for use in industrial, healthcare, commercial and consumer markets.
